

GO BOX Chrome

Your new best friend for
large Chromebook
deployments

Perfect for K-12 education, Go-Box Chrome is the #1 tool to automate your repetitive enrollment and configuration processes on large quantities of Chromebooks.

Cost effective and perfect for 1:1
programs

*No more expensive White Glove fees.
No more dreading the end of the
school year.*

Now you can power through those stacks of Chromebooks in less time and with fewer staff, without the headaches and sore fingers.

 Compatible with all
Chromebooks!
